What is Team Roofing Racers?

With a real “roofing” industry focus, team “Roofing Racers” comprises of contractors, manufacturers, trade associations, trade press and distributors all working together to raise money and complete the London Triathlon, an event which challenges even the most athletic contenders. In the previous four years of competing in the London triathlon, “Roofing Racers” have raised a substantial amount of money, last year raising a massive £40,000 for Macmillan Cancer Support and Great Ormond Street Hospital. This year we hope to beat that record by raising £100,000 for these two great causes.

Do you pay tax? If so your gift will be worth almost a third more to us - at no extra cost to you. All you have to do is tick the box, and the tax office will give 25p for every pound you give. We will only use your details to claim Gift aid.

- I am a UK tax payer and I would like “Roofing Racers” to treat all donations I have made since 2006 and all donations I make in the future as Gift Aid donations, unless I notify you otherwise.*

(* I understand that I must have paid sufficient income tax or capital gains tax during the relevant tax year to cover the amount Macmillan Cancer Support and GOSH reclaims on my donation.)

Our Charities

Great Ormond Street Hospital is unlike any other.

It's a home from home for some of our families, a place to find hope and support through the hardest times.

It's a place of learning where we train medical professionals from around the UK and the world to ensure a brighter future for sick children everywhere. It's a place where miracles do happen. Our ground-breaking research means we are able to help more children get better quicker.

Amazing things happen at Great Ormond Street Hospital every day. With your help we can keep the magic alive!
