ONE WARRANTY

ONE WARRANTY from SIG Roofing is a single package warranty that covers pitched roofing product performance for 15 years.

ONE WARRANTY combines the convenience of dealing with one company for the whole process, with the peace of mind that comes from working with a trusted brand.

ONE WARRANTY offers your customers complete confidence that their investment is protected with a warranty that is easy to understand and even easier to use.

ONE WARRANTY from SIG Roofing, coverage in one simple step.

With **ONE WARRANTY** you can offer your customers an additional service at no extra costs, by providing the benefits of a single warranty for the key elements of their roof. Products included are coverings such as industry leading SIGA Natural Slate and SIGnature Clay Roof Tiles, along with a range of market leading accessories including; batten, breather membrane, fixings and ridges - to name just a few.

Straightforward and simple to understand, this single package warranty covers the performance of pitched roofing products for 15 years. Which means, that if things do go wrong and you need to make a claim, you only have one warranty and one company to deal with. It couldn't be easier.

Register for **ONE WARRANTY** and you can;

- Provide extra value, at no extra cost
- Gain an edge over your competition
- Enjoy reduced and simplified administration from registration to claim
- Have a single package warranty backed by SIG, a FTSE 250 company
