

Technical Data Sheet

'Holmbury Blend' is a dark sanded plain tile with orangey red undertones, handmade and kiln fired from selected clay reserves to ensure distinctive tints and tones of colour, resulting in a naturally blended appearance.

'Holmbury Blend' clay plain tiles provides a timeless roofscape or façade in any environment.

Handmade in the traditional fashion, the character and aesthetic of warm rich colour blends, together with varying texture and shape, ensures total versatility in their use, from restoration, refurbishment or contemporary new build.

The tiles are complimented by a full range of handmade clay fittings including ridge and valley tiles, bonnet hips and angles for vertical tile hanging.
